

Infant Classroom

Welcome to the Panda classroom. We are very excited to have you and your child join our program. Below you will find a list of items your child will need, along with a few policies and procedures to follow in order to ensure your child's safety.

Label everything! It is a tremendous help to have your child's name on all their belongings. Items not labeled will be labeled by your child's teacher

Backpack or Diaper Bag – Your child needs to bring a backpack to school each day. Do not keep medicine in your child's backpack. Please contact and give the medication directly to the director.

Clothing – Two complete set of seasonally appropriate clothing; shirt, pants/shorts, socks, sweater. Reminder, please label all clothing. Your teacher will communicate through the seesaw app when your child needs an item of clothing. Please note that children will go outside, so jackets will be needed on certain days.

Diapers & Wipes – We have room to store a box or a sleeve of diapers and a few wipe packs at the center for your child, so that you are not bringing them in daily. Please note we do not use cloth diapers at the center.

Crib Sheets – Please provide 2 crib sheets. Will be sent home on Friday to be washed and returned.

Pre-made bottles – All bottles must be made and ready to heat for the day. Please provide extra food (frozen breast milk or a canister of powder) and an extra clean empty bottle to keep at the center in case they are needed. Please note no glass bottles may be used at the center.

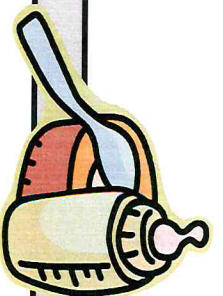

Food – All food must be ready to heat up (if needed) and be served as is. Please cut all food to the correct size needed. Please note no glass containers may be used.

Bibs – We supply your child with a clean bib each day. If you prefer your child to use your bibs, please bring in 3-5 to keep at the center to use. The bib will be sent home in the diaper bag each day

Communication – We use the Seesaw App to communicate with families. Teachers will send photos, classroom news, reminders, notes and any information that needs to be communicated. Please check App daily. You may send information through Seesaw to your child's teacher. The infant teacher also uses a notebook to log information about your child's day. This is a daily notebook that will be sent home each night and needs to be returned each morning. You may use this notebook to write a message to your child's teacher.
